EXPERT INTENSIVE

We now offer a focused in-home or virtual consultation for clients seeking professional design advice, direction and guidance.

The countless decisions related to interior design can be time-consuming and costly. Booking an Expert Intensive makes the process easier – and more fun!

If you're ready for a fresh new look at home, or struggling with a certain room or layout, we're here to help transform your frustration into something beautiful, cohesive and easy to execute on your own.

The Expert Intensive begins with a Discovery Questionnaire, then two to three hours together, where we'll address your priorities, answer your questions and provide clear design direction.

Following our consultation, you'll receive a PDF summarizing our direction, guidance and recommended next steps.

Guidance could include, but is not limited to:

- Furniture and home decor selection and placement
- Stores and brands to consider
- Paint colours
- Window treatments
- Cabinetry and built-ins
- Fixtures, finishes and trims
- Remodel ideas
- Exterior design
- Accessories and styling
- Editing and repurposing existing furnishings

INVESTMENT: \$2,500 CAD

Includes:

- Discovery Questionnaire
- Up to three hours in your home or virtually
- PDF with direction, guidance and recommended next steps
